

2003-04 Indiana High School Press Association Technology Survey

The IHSPA is attempting to gather information from member schools regarding technology and digital photography. This information will be compiled and shared at the state convention. As a service to the IHSPA and your fellow advisers, please complete this survey and return it in the envelope provided and do so no later than Jan. 15, 2004. In schools with more than one adviser, those individuals should work together and complete only one form. Thank you for your assistance.
